

### THUMBS UP FOR VICTORY

—Courtesy L. B. Press-Telegram

As Commissioner Dale Riley presented the National Baseball Congress gold trophy to John Northrop last Wednesday night after the Northrop Bombers had defeated Lockheed Aircraft a second time to win the California State Semi-Pro Baseball Tournament in Torrance, the surrounding Bombers jerked their thumbs in the air, signalling their victory. At the left is John Miljus, former big leaguer of the Northrop club.

### 'All-Stars' Defeat 'All-State' Team In U.S.O. Benefit Netting \$105

Minus some of their best material, the "All-State" team selected from the outstanding amateur players participating in the recent California Semi-Pro Tournament, went down to a 14 to 6 defeat at the hands of Pete Sanchez' "All-Stars" in the U. S. O. benefit ball game Saturday night at Torrance city park. The entire gate receipts, amounting to \$105.60, were turned over to the local U. S. O. fund committee.

Steve Coscarart (El Segundo) and Jack Calvey (Vultee) poked out three hits each to win slugging honors while Merle Brown, All-Stars from the Long Beach Ellbees who pitched three innings, got a home run. Other All-State twirlers were Ed Hume (Calera Foods), who allowed but one hit during his three innings on the mound, and Ewel Blackwell (Vultee) who was "nicked" for seven.

The "All-Stars" used Byrle Horne (Vultee) for three cantos during which he granted one bingle and Burnett Jennings of Ft. MacArthur was touched for six during his six innings.

Jackie Robinson, "All-Stars" picked from Atascadero N. Y. A. was unable to appear because he was on his way to Chicago to play pro football. Dave Pluss, another Atascadero N. Y. A. "All-State" choice, was unable to play because of an injured leg and several other "All-Stars" likewise were missing from the line-up.

McFadden and Benz, umpires, donated their services as did everyone else connected with the benefit.

### Northrop Team And Riley in East for Series

The Northrop Bombers, winners of the recent California State Semi-Pro Tournament in Torrance, arrived in Wichita, Kansas, yesterday morning preparatory to entering the National Baseball Congress series that opens Friday. The California contenders play their first game in the national tourney Friday night, starting at 10 o'clock, with the winners of the Maine-New-Hampshire tourney as their opponents.

Dale Riley, Torrance city recreation director and California semi-pro commissioner, accompanied the Bombers back to Wichita. They left Monday night aboard a special car on a Santa Fe train. Riley will participate in conferences between officials of the National Baseball Congress and other state commissioners and will return as soon as the Wichita series is over.

"Ten o'clock at night is pretty late to start a ball game," Riley said Monday when he learned of the Northrop opener, "but that's the way a big series such as the national tournament must be run. They expect to have about 35 teams in the race for the U. S. semi-pro championship and so they've got to play ball morning, noon and night."

### Sells House for Cash with Only 45-cent Ad

When you sell a house—and get all cash and the selling cost is only 45 cents—that's good business, says J. H. Baker of the realty firm of Baker and

Eppepson, Long Beach. And that's exactly what happened last week when Baker inserted a classified advertisement in The Torrance Herald and Lomita News for the sale of a house in Lomita. The advertisement was ordered for two weeks, but the house was sold before the second insertion, the purchaser paying all cash. And as an extra dividend, the advertiser was refunded 25 cents for the second week's publication which was cancelled.

All classified advertisements run in The Torrance Herald, Lomita News, and Torrance Shopper for one small cost, but remember, the closing time is 12 noon on Wednesday. Leave your ad at either the Herald office in Torrance, or the News office, 24702 Narbonne ave., in Lomita.
